- Tech-stack: Kafka-streams, Java-Spring, Ansible, Jenkins, Git.
- Designing-develop scalable data-pipeline using event-driven architecture and the deployment strategy.

📅 June 2019 – Nov 2019 (6 Months)    📍 Bengaluru, India

- Project: Employee-web Portal (Client: CXA - Singapore) 🏢
- Tech-stack: React-Redux-Saga, Jest, Material UI, Docker, Git.
- Implementing the front-end for a responsive web-app.

📅 Oct 2018 – May 2019 (8 Months)    📍 Bengaluru, India

- Health App (Client: Babylonhealth - UK) ❤️
- Tech-stack: Java-Spring-Webflux, Project-reactor, JUnit, Docker, Git.
- Design and implementation of the REST APIs and back-end services.

### Ciena ( Sr. Software Engineer) ~1 Years

📅 Jul 2017 – Sep 2018 (1.2 Years)    📍 Gurugram, India

- : Project: BluePlanet (Clients: AT&T, Facebook - USA) 🌐
- Tech-stack: C#, .Net core, NUnit, Docker, Cassandra, Kafka, Git
- Developed REST APIs for different features independently.
- Significant contribution towards refactoring and bug fixing.

### Optym (Software Engineer) ~2 Years

📅 Nov 2015 – Jul 2017 (1.8 Years)    📍 Bengaluru, India

- Project: HaulPLAN (Clients: FedEx, ABF, SAIA, YRCF - USA) 🚚
- Tech-stack: C#, .Net, Ninject, Postsharp, NUnit, MS SQL, SVN.
- Developed REST APIs, caching strategy, streams, data-service.

### Infosys (Software Engineer) ~3 Years

📅 Mar 2013 – Oct 2015 (2.6 Years)    📍 Chandigarh, India

- Projects: Amex Projects Bucket (Client: American Express) 🏦
- Tech-stack: Mainframes, COBOL, JCL, DB2, ETL, HTML-CSS-JS, PHP.

## SOFTWARE SKILLS </>

### Languages used:

Go    C#    SQL    Java    JS

### Keywords:

Design Patterns    Data Structures  
Clean Code    TDD    Agile    OOP  
Clean Architecture    Rest APIs  
CI/CD    Algorithms & Complexity  
Saga    Micro-services    Asynchronous

### Tools used:

Docker    Kafka    Git    GoCD  
Oauth    Linux    .Net core  
Kubernetes    React-Redux  
Material UI    Emacs    OracleDB

## EDUCATION 🎓

B.Tech. in Information Technology  
MAIT, GGSIPU, New Delhi

📅 July 2008 – July 2012

M.S. in Computer Science (On hold)  
BITS Pilani - WILP

📅 July 2016 – July 2017

## LANGUAGES 🗣️

English  
Hindi

## HOBBIES 🎮

Meditation, Yoga, Hiking, Running,  
Swimming

## STRENGTHS 🧰

Honest, hard-working and self-motivated  
Enthusiastic, flexible perspective  
Good analytical, communication skills
